

What to Expect at Concerts

Who: All music department groups

What: The SPHS Music Department gives 4 concerts per year to showcase these talented musicians and performers. The concerts include a variety of group numbers and special numbers which included solo and small ensemble performances.

Where: The Fall and Spring concerts are held in the SPHS Multipurpose room. The Holiday and Pops concerts are held at the California Center for the Arts Escondido in the main concert hall.

When: To be announced. Watch the Google calendar for more information. All concerts begin at 7:30.

Food/Drink: At the Holiday and Pops concerts, students usually need to have dinner since call time is generally right after school. Students are to provide their own meals. Food may be brought by a family member to the students to be eaten back stage before the show.

Clothing: All band students wear their marching band uniform at the fall concert. All other concerts require formal wear. The tuxedos for men and black dresses for women are fitted and ordered during the fall by the Uniform Coordinators. Men need to wear black socks and shoes (marching shoes are ok) and women need to wear black shoes (open toes ok).

Anything else?: The formal wear costs approximately \$120 for men and \$80 for women. Payment will need to be made upon delivery of the clothing, usually in November. There are limited supplies of loaner formal wear. Contact the director if you would like additional information about borrowing formal wear.

Parent information: Parents are greatly encouraged to attend all concerts and to bring as many friends and family as possible. Our performers always give a great show, and the energy level increases when the audience is full! Will this be the year when we sell every seat at the CCAE?

Tickets: Fall and Spring concert tickets are purchased at the door. The Holiday and Pops concert tickets are sold through a pre-sale order and at the CCAE ticket booth. Ticket order forms are available on this website closer to the concert. Tickets that are pre-ordered are available for pick-up during lunch at the school by the MPR ticket window. Any pre-order tickets not picked up during lunch will be at the Will Call window at the CCAE.

Shout-Outs: Family and friends may purchase a "shout-out" ad to show their appreciation for their favorite performers. Shout-outs can be ordered through this website and are published in the concert program.
