

What to Expect at Football Games

Who: Marching band and Color Guard Students

What: The Marching Band performs as a "pep band" during all home football games and at half-time shows. Since the half-time show varies, Color Guard might not perform at all games.

Where: SPHS music room and football field

When: Call time is 6:00 unless otherwise stated. Students need to be ready to change into uniforms before the call time.

Food/Drink: None. Water is provided and students may not eat in uniform.

Clothing: The Marching Band uniform is provided for students. Clothing to be worn under uniform includes: marching band t-shirt (or moisture-wicking shirt in black or navy blue), athletic-type shorts that do not bunch up under the uniform pants, calf-length or higher black socks without any emblems, and clean marching shoes. Color Guard students need to follow your coach's instructions regarding clothing.

Anything else?: Students also need to bring lyre and flip folder, pencil, instrument, coordinates and music.

Parent information: Football games are a great way to see, and hear, the progress of the students. The band and color guard parents sit near the band to cheer not only our performers, but also the Fighting Eagle Football Team usually wearing the band or music shirts. Parents are required to pay admission to the games for themselves and any other family members who come also.

Stadium and Pit Crew: Parents are needed to serve as the Stadium Crew which puts down seat covers to protect the uniforms and provide students with water. We also have a volunteer Pit Crew which helps move the larger equipment before and after the game. Parents in both crews do not have to pay entrance fees, but are needed to be at every game and to stay the entire time.
